# Backcountry Camping and Travel

Backcountry Camping & Travel	Backcountry camping is permitted on the lake waters and shoreline as long as you are more than ¼ mile from a developed area. A developed area, for the purposed of backcountry camping, is defined as being within ¼ mile of a campground, dispersed camping area, picnic area, launch ramp, or public road. In addition, the entire south shoreline from Amistad dam eastward to the 277 North Highway bridge, with the exception of Hunt Area 5 during the non-hunting season, is considered a developed area.	
Rules and Regulations	<ul style="list-style-type: none"><li>• Pack out what you pack in. Dispose of your trash properly. There is no trash pickup by NPS staff at backcountry locations.</li><li>• Camping will be limited to a maximum of 60 days within a calendar year.</li><li>• The clearing or cutting of brush or other vegetation and leveling of the ground to create a level tent site is not allowed.</li><li>• The possession, use and removal after use of portable camp toilets with human waste is highly encouraged.</li><li>• Camping within a designated hunt area during the hunting season is prohibited.</li><li>• All archeological sites are closed to camping.</li><li>• All caves and rockshelters are closed to the public, except for Panther Cave and Parida Cave.</li><li>• Pets must be restrained at all times on a leash no longer than 6 feet long.</li><li>• Ground fires are only allowed in existing fire rings or in fire pans at least 2 inches high.</li><li>• You are <u>required</u> to pack out human waste and toilet paper and dispose of it properly.</li><li>• To backcountry camp you must be at least 1/4 mile from a developed area (see definition above).</li><li>• Camp at least 100 feet from any springs.</li><li>• The use of firearms in the park is prohibited. All wildlife is protected by federal law.</li><li>• Do on feed the wildlife.</li><li>• The cutting of wood for firewood is not allowed. Human Waste	Park visitors are required to carry out all solid human waste and toilet paper from backcountry areas of the park with a commercially produced spill-proof and trash-container safe waste bag system (such as Restop2 or Wag Bag), or with a dump-station compatible waste system. Backcountry campers are encouraged to possess a personal waste system. Day-use boaters are also encouraged to carry them.	Personal wastebag systems may be purchased at the NPS Visitor Center and may be disposed of in the Trash cans at the boat ramps.  These rules were made to maintain visitor health and safety and to preserve water quality. As well as reducing other environmental impacts. Please help us protect your park!
